Kicking goals for kids

THE business end of the AFL season is upon us, but something more important than football brought Brownlow Medallist and media personality Robert "Dipper" DiPierdomenico to the Sunshine Coast last week.

The former great of the game hosted a special morning tea last Tuesday at Maroochydore Primary School Library to thank all the stakeholders involved with the prestigious BOQ Maroochydore 3rd annual Celebrity Charity Golf Day and Corporate Lunch.

The 2010 golf day and corporate lunch will be on December 3 and this year's recipient charity is SunyKids.
