## Swinging launch

AFL footy legends don't come much bigger than Robert "Dipper" DiPierdomenico. So, who better to launch the bigger and better BOQ Maroochydore Celebrity Charity Golf Day to be held on December 3 at Pelican Waters Golf Club.

Dipper was one of 100 guests and VIPs from the Sunshine Coast business community who participated in live entertainment by dynamic drumming group Human Rhythms at the prestigious cocktail launch on Thursday.

The Celebrity Charity Golf Day, which has previously raised \$60,000 for Sunshine Coast charities, this year will feature a separate Corporate Lunch at Crowne Plaza for 260 guests and "Clash of the Codes" themed panel discussion with sporting greats.
